London, Aug. 11, 1.20 a.m.—No great battle has yet been fought on land or sea in the war of seven nations, unless the German assaults upon the fortresses at Liege evantually assume the proportions of battle in history.

Bella combatants claim visitory there. the proportions of battle in history. Both combatants claim victory there, with Belgians still holding the forts and the Germans occupfing the city. The situation is unique. There is no confirmation of the Daily Mail's report that the French have engaged the Germans and cut off their retreat, inflicting a loss of \$,000 men.

The Belgians claim that they have taken \$,000 prisoners on Belgian soil, but milliary men regard all the estimates of the belligerents as great exaggrations. ing ocean liners today brought con-firmation that foreign warships are cruising off the American Atlantic

first week, when resolved to the prop-er perspective eventually will doubt-less be considered insignificant. One of the most important develop-ments in the eyes of experts is the genera itestimony that the German infantry formation is absolute and inoff wrive against the weapon of today

and means an enormous slaughter if persisted in.

France and Austria finally are officially at war, the ambassadors having left the respective capitals. The French government broke off diplomatic relations with Austria on the grounds that Austrian troops were reinfereing the Germans.

Austria appears to have abandoned the advance on Servia for a time, and is apparently cooperating with Germany in the supposed strategy of attempting to crush France before Russia can mobilise.

German liner under capture and is taking her, a prize of war, into Hamilton, Bermuda according to wireless despatches declared to have been overheard at sea. The Associated Press correspondent at Bermuda indicated in a cryptic despatch that he had information which he had not been allowed to communicate by cable. This message came in response to one informing the correspondent of the reported capture of the Kronprins Wilhelm.

Pursued by Warships. Ottawa, Ont., Aug. 10.—The reply of military authorities here to inuiries for the reasons of the closing of the ports of Montreal, Quebec and Hallfax leaves it to be inferred that they are in possession of information that it is not considered wise to make public though the would not have lic, though they would not say so in so many words. A high official said that from time to time certain in-formation was received pointing to the necessity of certain precautionary Stronger enforcement of the neutrality laws was taken by the port authorities today almost simultantously with the arrival of the Atlantic transport liner Minnetonka, which reportmeasures and action must be taken without giving any special reasons. The ports, he said, were not actually ed that a warship, nationality not learned, had pursued her during the closing hours of her voyage to Amerito sail. The order might not be maintained for longer than a few days.

Owing to the rigid restrictions on news of all strategic moves it is difficult to obtain expl nations of orders can waters. An embago was placed on the wireless apparatus of every foreign ship in New York harbor. This issued from military headquarters.

step was taken after the authorities be-gan to suspect that foreign cruisers at sea might be communicating with ships LARGE OIL TANK FLEET

The chase of the Minnetonka ended early today only after the ship steamed into the three mile neutrality zone in the vicinity of Nantucket. Three days out from Liverpool, the Minnetonka, flying a British flag, was informed by wireless from the White Star liner Oceanic, on her way to England that a state of war existed. Last ward Halifax. New York, Aug. 10.—While sixty miles off Sandy Hook late yesterday the British tank steamer Wapello, which arriver here today, sighted the Olympic, of the White Star line, which left New York yesterday withland, that a state of war existed. Last night the Minnetonka refused to dis-close by wireless her identity to a war-ship which asked it. With her portwhich left New York yesterday withour passengers apparently headed for
England. From the course the Olympic was going the captain of the Wapello reported she seemed to be steaming along a course which would take
her toward Halifax, where several of
the White Star fleet have put in recently. Officers of the line denied the
Olympic was going to Halifax.
There is now in this harbor one of
the largest ofl tank fleets ever assembled here. The tankers stretch from
Tompikinsville out to quarantine, apparently afraid to put out to sea while ship which asked it. With her port-holes blanketed and electric wires to every state room cut, the Minnetonka sped through the fog and a few hours later lost sight of her pursuer's search-

parently afraid to put out to sea while foreign cruisers lurk in the Atlantic. They are British and German ships for the most part, each carrying thous-ands of tons of oil. Several tankers which left here before war was de-clared are said to have been requisi-tioned by the British government as fuel carriers in the North sea.

The number of applicants at the mu nicipal employment exchange for jobs has increased considerably since foreign reservists stranded here have

been unable to find a way to get

Newport, R. I., Aug. 10.—A possible explanation of some of the reports that the Cunarder Lusitania which left New York for Liverpool August 5 had been pursued by foreign warships off been pursued by foreign warships off the American coast was given by mem-bers of the crew of the United States destroyer Walke tonight. The Walke, with other vessels of the destroyer flotilla, was engaged in manoeuvres off Montauk Point when the Walke sud-denly came close to the bi gliner in the dark. According to members of the destroyers' crew the big liner im-mediately developed a wonderful burst Brussels, via London, Aug. 11, 3.46 a. m.—The lull in the fighting around Liege since Saturday appears to be the lull before the storm. There is little doubt that an engagement on a scale not yet witnessed in this war is imminent.

Reservists in Canada Called. Ottawa, Ont. Aug. 10.—British army reservists throughout Canada have been called to the colors. There are 4.000 of them on the roster kep thy an officer of the imperial government here. The governor of Antwerp has issued a proclamation warning all German and Austrian residents to present themselves before the police; refusal to do so will but them in danger of beling shot as spies.

German soldiers who became separated from their regiments lost their way and are falling into the hands of the Belgians. For the most part these Transportation is being forwarded to them all over the country and they will report with as little delay as possible at the mobilization head-

ROOSEVELT'S ATTORNEYS SEEK CHANGE OF VENUE. Do Not Think He Can Get Fair Trial in Albany County.

Oyster Bay, N. Y., Aug. 10.—Theo-dore Roosevelt announced tonight that his attorneys in the \$50,000 libel suit brought against him by William Barnes, republican state chairman, will ask to have the action brought to trial in some county other than Albany county, where Mr. Barnes resides and where the venue of the action was laid by the plaintiff.

Colonel Roosevelt said his attorneys did not believe an impartial trial could be held in Albany county and that if Mr. Barnes' attorney would not consent to a change of venue the court would be saked to exact it.

would be asked to grant it.

The coloney reiterated that he desired the case to be heard at as early a date as possible and said he had instructed his attorneys not to serve a demurrer. He added that an extension demurrer. He added that an extension of twenty days in which to prepare his action was obtained today in the supreme court. It is probable that the case will come to trial in October.

Mr. Barnes' action was begun after Colonel Roosevelt a few weeks ago issued a statement in which, alluding to political conditions in this state, he attacked Mr. Barnes and the so-called bi-partisan boss rule, mentioning by name also Charles F. Murphy, leader of Tammany Hall.

DRAFT OF LPAN FOR PEACE IN DOMINICAN REPUBLICS By President Wilson-Details Not to

Washington, Aug. 10.—A definite play drafted by President Wilson for the resteration of peace and orderly government in the Dominican republic is carried by an American commission which left Havana, Cuba, today for Santiago enroute to Santo Doming City, Until the commission has maditary its representations to the warring factions in the island republic, details of the plan will not be made public. The peace commissioners are Minister peace commissioners are Minis James Sullivan, former Governor Jo Franklin Fort of New Jersey Charles C. Smith, a Boston lawyer.

New York, Aug. 11.—Heat caused the deaths of three persons in New York today. Nearly a desen others were overcome. The temperature did not reach above 86 degrees, but the humidity was intense.

Philadelphia, Aug. 11.—Although the maximum temperature was only 85 degrees, three deaths were reported at the corumer's office as due to heat arbustion.
